ON BOARD THE FLAGSHIP

The largest passenger ship on Lake Mondsee is also the most modern. Our apollo MS Mondseeland was renovated in 2022 and completely rebuilt from the ground up.

THE FLAGSHIP OF LAKE MONDSEE

The stylish ship's bar, 150 comfortable seats (100 protected from the weather, including 50 in the heated, cozy cabin), and the crew are looking forward to welcoming you. State-of-the-art sound technology is ready for use.

IDEAL FOR GROUPS

Our regular and special tours can also be booked for larger groups of 20 persons or more – perfect for guided bus tours, family celebrations, school excursions, or club outings. Discover the "must-see destinations" of the MS Mondseeland together with friends, colleagues, or family.

YACHT-EXPERIENCE FOR RENT

CHARTER & THEMED TOURS

Set course for your own exclusive experience! The MS Mondseeland can be easily chartered for themed tours, weddings, Christmas parties, anniversaries, workshops, and corporate events. Enjoy private cruising with an exclusive yacht-like atmosphere. The gentle lapping of the waves will be yours alone, shared only with your guests.

SUSTAINABILITY ON THE LAKE

All apollo outlets and the MS Mondseeland – as the first ship worldwide – are equipped with a biomass heating system: a pellet boiler from HARGASSNER – specialist for sustainable heating. For this innovation, our flagship was even awarded the Wood Energy Award.
